

EDUCATORS FOR EDUCATION

Employee Payroll Deduction Campaign

Join the movement that's empowering classrooms, lifting teachers, and inspiring student success right here in DeSoto County.

The DeSoto County Education Foundation (DCEF) is a local nonprofit dedicated to supporting our schools by building partnerships that connect the private sector with public education to make a lasting impact. Thanks to grants, fundraising efforts, private donations, and corporate sponsorships, we're proud to fund:

-  Classroom Innovation through Educator Grants
-  Senior Scholarships that remove financial barriers
-  Teacher & Staff Recognition, including Teacher of the Year and RISE Above Awards
-  Morale-Boosting Events and back-to-school support
-  Student Enrichment Opportunities at every grade level

Every dollar you give stays right here in DeSoto County. With automatic payroll deduction, giving is simple, seamless, and tax-deductible. When you join the Educators for Education campaign, you're not just giving — you're joining our Foundation Family and investing in teacher support, student success, and stronger schools across our community. Together, we can do more!

Yes! I want to give through the Educators for Education payroll deduction campaign.
